Minutes of April 7, 2018

CALL TO ORDER: President Sandra Bifulchi called the meeting to order at 8:30 am in the Quail Room of the Foundation Building, Sun City West, AZ. Steve Parsons gave the Invocation and also led the Pledge to the Flag of the United States of America, followed by the singing of God Bless America.

Minutes were approved.

WELCOME TO VISITORS: Diane Douglas, Steve & Diane Ortiz Parsons, Bobby Bravo, Debbie Lesko, Ben Toma, Michele Reagan, Chris Kelly

President Sandra Bifulchi: She is looking for other options where we can hold our meetings at no cost to the club.

Jan Martinson tells us Debbie Lesko signs are available by the door to take with you to put in your front lawn. Republican Candidate's Forum, Saturday June 2, 2018 2 PM to 5 PM at Briarwood Country Club 20800 N 135th ave, Sun City West. No charges, no reservations, cash bar.

SPEAKERS: **Michele Reagan** Candidate for Secretary of State, **Lori Klein** Corbin Candidate for Secretary of State dropped out of the race, so she didn't come.

INTRODUCTION OF GUEST SPEAKER: Clair Van Steenwyk, reminds us to get to know the candidates you're supporting and signing their petitions. A sign of a candidate in front of your house translates to more than 10 votes for that person. You can make a difference.

“The eyes of the nation are on us.” Her passions are election law and business services. Opening, expanding new business. She has transitioned the Secretary’s office from all paper to an electronic, transparent modern office. She has saved the AZ taxpayers a lot of money. She would work with the president if she were to become Governor of AZ to secure the border. “It’s about time the National Guard is put on the boarder.” “When we register someone to vote, you have to prove your citizenship.” “It’s an honor and privilege to be your secretary of State.”

Debbie Lesko (candidate for US Congress) attended today's meeting and she was given a few minutes to speak to our club. There are so many democratic signs in the neighborhood, more than ever before promoting their candidate, we can't let that happen. April 24th is the election date. "This is a fight and we're going to win."

Diane Douglas spoke about new standards in the schools. Go to <http://ACED.gov> to see the new standards.

Steve Parsons, running for clerk of the circuit court, spoke saying he was born a Republican. Does not want politics in the court system but we need conservatives in the court.
