140 - Eliminate Partisan Primaries Amendment	NO	Eliminates partisan primaries and replaces them with an electoral system where individuals may vote for the candidate of their choice, regardless of the party affiliation of the voter or the candidate. Allows the Secretary of state to choose which and how many candidates are selected to run in the general election if the legislature does not act in a timely fashion.
212 - \$18 Minimum Wage Initiative	Removed	Increases the minimum wage to \$18 per hour and continues to increase the minimum wage based on inflation as measured by the consumer price index. The measure would also gradually raise the wage of tipped employees to be equal to the wage of other employees by 2028.
311 - First Responder Survivor Benefits	YES	Establishes a \$20 fee (it could change in the future) on every conviction for a criminal offense, which would go to pay a benefit of \$250,000 to the family of a first responder who is killed in the line of duty.
312 - Protecting Property Owners	YES	Allows for property owners to apply for a property tax refund in certain circumstances, including in instances if the city or locality in which the property is located does not enforce laws regarding illegal camping, loitering, obstructing public thoroughfares, panhandling, public urination or defecation, public consumption of alcoholic beverages, and possession or use of illegal substances.
313 - Life Imprisonment for Sex Trafficking	YES	Provides for life imprisonment for an individual who is convicted of class 2 felony sex trafficking of a child.
314 - Arizona Immigration and Border Law Enforcement	YES	Allows for state and local police to arrest noncitizens who cross the border unlawfully, allows for state judges to order deportations, requires the use of the e-verify program for some public governmental programs and employment eligibility purposes, and makes the sale of fentanyl a Class 2 felony if a person knowingly sells fentanyl resulting in the death of another person.
315 - Arizona Legislative Ratification of State Agency Rules	YES	The measure would require that any proposed rule projected to increase regulatory costs in the state by over \$500,000 within five years of implementation to be submitted to the Office of Economic Opportunity for review. The legislature, or any person who is regulated by an agency proposing a rule, may also request proposed rules to be sent to the Office of Economic Opportunity for review.
479 - 20 Year Sales Tax Extension for Transportation	NO	A continuation of an existing, dedicated half-cent sales tax in Maricopa County to fund transportation. This initiative extends the sales tax for 20 years. The breakdown of spending is: 40.5 percent of the sales tax will be allocated to freeways and highways, 22.5 percent to arterial roads and regional transportation infrastructure, and 37 percent to transit. Increases light rail, installs streetcars and bus rapid transit; reduces driving lanes.
